

# **Finally be fully recognised: With the Helios Adaptation Course for Permanent Employment as a Nurse**

## **You**

- are a nurse trained in your home country
- already work in Germany, e.g. as a nursing assistant
- speak German at B1 level or above

## **We offer you an adaptation course which**

- adapts your training in nursing to the standards required in Germany
- is remunerated as full-time with a nursing assistant's salary according to the tariff
- comprises 350 hours of theory and between 600 and 1,000 hours of practical work (surgery, internal, general medicine, psychiatry, outpatient care)
- prepares you for the testing of your nursing knowledge

## **After successful completion, we offer you**

- a permanent position as a nurse
- an open-ended employment contract
- payment according to tariff with bonuses
- the possibility of once again fully applying your nursing skills
- a job in one of the region's most modern hospitals

## **Our starting assistance**

- Upon request, accommodation in a flat share for the first six months of the course, afterwards, help looking for an apartment
- Assistance with official paperwork, opening an account etc.
- Assistance with the organisation of bringing family members over to Germany

**Interested? Get in touch with us! We look forward to starting into the future together with you**
